Coaching Program

The Year-Round Coaching Program focuses on purposeful practice/training, mental training, and other areas to ready junior golfers for high school and collegiate play. Our Coaching program classes are ran and organized by our **US Kids Top 50 Instructor** Gavin Burns who brings a wealth of knowledge and experience to this program. The Coaching Program is designed for like-minded athletes who want to reach higher levels of competition. This program uses a Player Pathway system designed to track progress and motivate junior golfers to reach their goals. It includes weekly practices, **half-price off on range buckets** during the session, and an option to participate in tournaments held by Man O' War Golf.

Players must have their own clubs

The goal of our coaching program has always been to prepare our players for competitive golf; the **advanced** class takes that goal to the next level. The Advanced Class is taught by Director of Junior Golf Gavin Burns (Top 50 US Kids Coach) and Director of Instruction Brad Bachand (voted #1 instructor In KY by Golf Digest 5 times) the duo brings a vast wealth of knowledge and experience to the class. This program will take a deep dive into a wide range of topics ranging from course management, tournament preparation, specialty shots, skill enhancement, practice habits and more in depth instruction for each student. This program is designed for middle schools and high school golfers who are already competing in tournaments and are looking to take their game to the next level.

The kids participated in the Juniors Camp last week. (7 year old boy and 13 year old girl.) They had a blast and learned a lot. All of their coaches were great! Their improvement shows all over the board, but mostly in their confidence.

We will definitely be participating in the camps again!
